Letter from the Reneker Camp Director

January 2015

Dear Reneker Campers,

I am happy to write to you and welcome you to Reneker Family Camp. Our family camp is an integral part of Owasippe Scout Reservation-- America's oldest and premier Scout Camp. This summer, the Reneker staff will celebrate Owasippe's 104th and Reneker's 51st Camping Seasons. Our staff looks forward to enjoying a wonderful week with your family.

As I write this, the Reneker team is already planning experiences you will certainly enjoy, and our dedicated staff is eager to begin the camping season with you. The staff members are preparing to apply their background working with children, teens, and adults in a variety of ways, so you will have the opportunity to try new things during your stay with us. We hope to provide you with an array of activities, so you can spend your time with us as you wish.

For campers ages four and older, mornings will be spent with others of the same age group. Our age group leaders will provide activities such as hikes, crafts, swim instruction, and nature and scout activities. The afternoons at Reneker offer the opportunity to hone personal and scouting skills through hiking, swimming, team games, marksmanship (BB guns and archery), nature and conservation projects, and craft projects for both adults and children-- just to name a few! In the evenings, our program focuses on the family, but also encourages campers to meet new friends and socialize. We will continue with our favorite traditions, such as Ice Cream Social and Potluck, but have added some fresh activities to our schedule, so you can spend quality time with your friends and family.

Reneker families also have the opportunity to participate in many of the outposts Owasippe has to offer across the reservation. These exciting activities include: horseback riding, sailing, Low C.O.P.E. (team-building course), High C.O.P.E. (high ropes course), climbing, river tubing, and canoeing.

There are countless activities that have been carefully crafted for your family to take advantage. Reneker's camp call is "Go For It!," and our staff is available to enable you to participate in fun and rewarding challenges during your stay. We hope that your time with us is the right balance of relaxation and adventure, and that you surprise yourself by trying new activities and skills. This Leader's Guide offers a glance at what to expect at camp, from programs to physical facilities.

On behalf of the Reneker staff, thank you for choosing Camp Reneker- GO FOR IT!, and we hope that 2015 continues, or begins, a Reneker family tradition for your family. We are thankful to spend the summer with Reneker Campers like you, here at Owasippe Scout Reservation-- all the wealth of earth and heaven.

Yours in scouting,

Overview of Camp Reneker

For five decades, Camp Reneker has provided quality camping experiences to Scout families at a very modest cost. Nestled at the south end of Owasippe Scout Reservation, Reneker provides outdoor recreation programs for the spouses and children of scouting families.

One way to ensure that you experience all that Reneker has to offer is to participate in the camp's planned program activities each day. Each morning, campers ages four through adults are invited to join our age-group programs lead by one of our energetic staff members. Here, participants will hike, create craft projects, play sports and games, sing songs, participate in swim instruction, learn or develop skills, and participate in activities and a service project. Each afternoon and evening, campers are welcome to participate in different individual and family activities, as well as social events.

Surrounded by the forests of Owasippe, Reneker campers have many opportunities for fun in the natural beauty of the outdoors. Guided by experienced staff, campers may hike to the nearby Quaking Bog, (one of the natural wonders of Owasippe), to the E. Urner Goodman Scouting Museum, Owasippe's Grave, or to Paradise Valley. If you enjoy sports, you can play a game of volleyball, shoot baskets, or perfect your marksmanship skills on our archery/BB gun range, among others! Campers may also take advantage of other opportunities Owasippe has to offer, such as trail riding at the Diamond O Ranch, climbing at the climbing wall, participating in Project C.O.P.E., testing your skills at paintball, or sailing on beautiful Big Blue Lake at the Fossett Sailing Base.

Afternoons can be spent enjoying the warmth of the wonderful Michigan weather at our swimming pool. Our facility includes a large swimming pool with a staircase entry and a wading pool. Reneker offers a full aquatic program, including both instructional and recreational swimming, as recommended by the Boy Scouts of America. Under the guidance of certified lifeguards and swim instructors, children and adults may choose to participate in swimming lessons, afternoon and evening recreational open swims, and the mile swim program.

Every evening, Reneker campers have an opportunity to get to know one another through program activities, such as: Family Activity Night and Ice Cream Social, Potluck Dinner, Camp Cooking, or Closing Campfire, which align with a theme that is fun for all ages. These events offer an opportunity to meet new people and develop friendships, or rekindle old ones. Camp Reneker also provides easy access to the many resources of the western Michigan region.

Reneker has its own trading post which is open at various times throughout the day. In addition to souvenir T-shirts and other Owasippe memorabilia, the post also sells a few grocery items, ice-cream, soda, and candy. Campers may also visit the main trading post at the Ad Center complex, or travel to nearby Whitehall for additional groceries and other supplies.

Camp Facilities

Cabins

Reneker provides camper families with a rustic cabin that sleeps 4-5 comfortably. Each cabin consists of two bedrooms with bunk beds, a closet, and a dresser/mirror. It is also equipped with an electric stove range, refrigerator, kitchen sink, table and chairs, wash-up sink, and a sofa.

Bathrooms

Toilets, showers, and laundry facilities are centrally located in a sanitary unit, or “KYBO”, in the middle of each 20-cabin site. Each sanitary unit includes six bathrooms, each of which includes a toilet, shower, and sink. In the large front room are two sets of coin-operated washers and dryers, as well as two wash sinks. Campers must provide their own detergent.

Playgrounds

Each site or “side” of 20 cabins also includes a centralized park with playground equipment and park benches.

Garbage

Each camping side has several areas to place garbage, called garbage racks. These racks are essentially six large metal garbage cans where trash can be placed. **Please** replace cover securely to help keep animals out of the garbage. Racks are located in areas near the cabin parking lots, as well as near the camp office.

Camp Office/Circus Tent

The camp office and circus tent area are busy areas during program hours. While you are at the circus tent participating in an activity, be sure to stop in the camp office to check your mail or speak with the Camp Director about anything you may need help with. You may also rent a board game or book from the trading post to use under the circus tent or bring back to your cabin. During off hours, we request that you use the camp office only in case of emergency. The camp radio, to be used by campers only in an emergency, is located [here](#).

Trading Post

The Reneker Trading Post is your one-stop shop for Owasippe apparel and novelty items, ice cream, candy, soda pop, and other sundries. The Main Trading Post located at the Ad Center has an even larger selection for your Scouting and apparel needs.

Pool

Open during most program hours, the Reneker aquatics area is usually a main area of fun and activity. After you have completed your swim check, you are invited to cool down in our rocket-ship shaped pool!

Check-In

Check-in is held on Sunday afternoon, from 1:00 p.m. – 5:00 p.m. in front of the camp office. Those arriving after 5:00 p.m. will be checked in following Orientation which starts at 7 p.m. (your key will be on your table). Owasippe is approximately 210 miles from Chicago, and the trip takes about 3.5 - 4.5 hours. Owasippe is on Eastern Daylight Time. For directions, please see the Appendix. The check-in process has several steps, all of which take place in the camp office/circus tent area. After checking in, a Reneker staff member will escort you to your designated cabin and inspect the cabin with you.

Step 1: Initial Check In and Key Deposit

During the first step of check-in, each registered family will submit a completed roster, a vehicle registration form, and leave a required key/damage deposit of \$25.00 that will be returned upon staff checkout approval. Campers will also make sure that their account is current and all cabin fees are paid. Finally, campers will receive the wristbands that are required to be worn in camp for the duration of their stay, as well as the vehicle permits that must be kept on the dashboard of any vehicle parked in camp.

Step 2: Medical Recheck and Buddy Tags

The next step of check-in includes the medical recheck process and issuing of buddy tags. All campers staying at Reneker must complete the Annual Health and Medical record and complete a medical re-check as required by the BSA, and submit a copy of the record for the camp to keep. Please see the Health and Medical Record Policy in this manual. A copy of the Annual Health and Medical record is in the appendix. After medical re-checks, each camper will be issued a buddy tag with their cabin number written on it. This buddy tag is to be used to gain admittance to the pool, and will be kept at the buddy board outside the pool gate.

Step 3: Cabin Keys

Finally, campers will be issued their cabin key and will be shown to their cabin. This is a great time to ask any questions and to get familiar with the layout of camp.

Swim Checks

After completing check-in and moving into your cabin, it is a good idea to complete a swim check. In order to swim in the deep section of the pool, or to participate in sailing, tubing, or boating at camp, campers must complete the standard BSA Swimmer Test. The swimmer will have completed their test once they have been cleared by our BSA trained Aquatics staff. Swim checks will be given on Sunday afternoon from 2:00 p.m. – 5:00 p.m., as well as at 2:45, 3:45, and 4:45 p.m. Monday-Friday. Just come to the pool!

Orientation

Camp Reneker orientation takes place on Sunday evening at 7:00 p.m. sharp under the circus tent. All campers are required to attend orientation where they will meet the camp staff and learn about the overall program; campers will also receive the weekly schedule, including activities, times and fees.

While the adults review camp policies and ask any questions they may have, the children will meet the staff responsible for their age-group activities and tour Camp Reneker. The children will also meet new friends and discover the exciting week of fun and adventure planned for them. Reneker staff is also available during the week to answer questions and ensure your understanding of our policies and programs!

Program Registration

Immediately following the orientation, campers should enroll in the various programs offered by the camp. Fees vary with each activity, and programs that require fees include all morning age-group programs, crafts/food activities, and outposts (climbing, C.O.P.E, horseback riding, sailing, etc). Fees will be paid Friday afternoon at “settlement” with the Camp Director or Assistant Camp Director, or earlier if necessary. All fees must be paid before campers leave to go home.

Early Arrival

A \$65 early arrival fee applies to any Reneker campers who arrive on Saturday. Early-arrival campers should go directly to the camp office to start the check-in process, and should be aware that there will not be any program or staff support available until Sunday at 12:00 p.m. Campers will be required to complete the check-in process between 1:00 p.m. and 5:00 p.m. on Sunday.

Check Out

The Reneker staff cleans every cabin prior to the opening of camp to ensure they are ready for occupancy. In turn, the Reneker staff expects campers to leave the cabin as clean, if not cleaner, than they found it upon arrival and ready for the next camper. The staff is available at A and B side laundry rooms between 8:30 a.m. – 10:30 a.m. on Saturday to check out cabins. Upon staff approval at checkout, damage deposits are returned to campers during your final checkout under the circus tent.

Campers are asked to adhere to the 10:30 a.m. checkout time. Please complete the following checkout procedures:

- o Empty, clean, and defrost the refrigerator, turn to #2 setting
- o Clean oven and burners and make sure stove is turned off
- o Clean kitchen sink, wash-stand, and counters
- o Wipe shelves and furniture
- o Empty wastebaskets and deposit garbage in garbage racks, securing the can's lid
- o Check drawers, cabinets, under beds, cushions, and sofa for personal items
- o Sweep and mop the floor (mops are located in the laundry room)
- o Pick up litter in the area around the cabin
- o Close all windows, EXCEPT the transom windows
- o Report any problems with your cabin to the checkout staff

When your cabin is clean and mopped, please see a staff member in the laundry room to check out your cabin. From there proceed to the camp office for final checkout, return of your key deposit, and to register for next year.

2016 Registration

At the time of checkout, Reneker campers may choose to reserve a cabin for the same period the following year by paying a non-refundable deposit. Following Saturday of the current period, reservations open for any others to reserve cabins for that period of the following year. Cabins will only be reserved with a paid deposit.

As of 2012, the Chicago Area Council Camping Committee has instituted a new policy regarding Reneker cabin reservations. This policy mostly affects Reneker campers attending camp without an immediate family member staying with a Boy Scout or Webelos unit in camp the same period. For more information about the Reneker Cabin Reservation policy, please visit www.chicagobsa.org.

Annual Health and Medical Record Policy

Policy on Use of the Annual Health and Medical Record

In order to provide better care for its members and to assist them in better understanding their own physical capabilities, the Boy Scouts of America requests that everyone who participates in a Scouting event have an annual medical evaluation by a certified and licensed health-care provider—a physician (MD or DO), nurse practitioner, or physician’s assistant. Providing your medical information on this four-part form will help ensure you meet the minimum standards for participation in various activities. Note that unit leaders must always protect the privacy of unit participants by protecting their medical information.

Parts A and B are to be completed at least annually by participants in all Scouting events. This health history, parental/guardian informed consent and hold harmless/release agreement, and talent release statement is to be completed by the participant and parents/guardians.

Part C is the physical exam that is required for participants in any event that exceeds 72 consecutive hours, for all high-adventure base participants, or when the nature of the activity is strenuous and demanding. Service projects or work weekends may fit this description. Part C is to be completed and signed by a certified and licensed health-care provider—physician (MD or DO), nurse practitioner, or physician assistant. It is important to note that the height/weight limits must be strictly adhered to when the event will take the unit more than 30 minutes away from an emergency vehicle, accessible roadway, or when the program requires it, such as backpacking trips, high-adventure activities, and conservation projects in remote areas.

The annual health and medical record is a national BSA form. A copy of this form is in the appendix and can be downloaded from the council website: www.chicagobsa.org.

Medical Record Retention Policy

The State of Michigan requires that the camp retain a copy of the Annual Health and Medical Record for up to three years after attending camp. As such, campers should plan on submitting a copy of their health form during medical rechecks. Owasispe will **keep the** copy submitted at check-in. Medical forms will be kept in locked storage.

Medical Recheck Policy

The State of Michigan requires that every camper undergo a medical screening within the first 24 hours of arriving at camp. This is part of the camper check-in process at Reneker. Campers who arrive late must report to the camp office upon arrival at camp for their medical screening.

Emergency Procedures

Accident or Illness

- Basic First Aid is available at the camp office.
- In the event of serious illness or injury, notify the camp office before going to the Health Lodge. At night, notify staff located in the emergency cabin A1 or staff row.
- If accident or illness is severe, send runners to notify the camp office. Do not move the victim. Give the location and nature of the problem to the staff, and they will call for Health and Safety personnel to respond to you.
- If accident or illness is severe the patient will be transported by ambulance to the local hospital.
- Only youth or adults who are registered members of Chicago Area Council, BSA is covered by the council's Accident & Sickness Insurance. However, the individual's personal medical insurance will be utilized first.

Lost Camper

- Immediately notify the camp office of a missing camper.
- Return to cabin, allowing the staff to initiate the camp emergency procedure and conduct a search.

- Campers should store all loose items outside of their cabins in preparation for high winds.
- Move away from streams (flooding) and lone trees (lightning hazard).

As severe weather approaches, move inside cabins or sanitary units and stay away from windows. If caught outside in the open, lay down flat and cover your head.

Camp Reneker Program

Camp Reneker offers a wide range of programs for campers of all ages. Activities begin in the morning with age-group programs and continue into the evening with family activities. Whatever the interests of the individual and/or family, the Reneker program has something for you!

Morning Programs

Camp Reneker's morning program begins at 9:00 a.m. Monday through Friday with our flag raising ceremony; families are encouraged to participate in the color guard and ceremony! Following the flag ceremony and announcements, the age-group activities for children four through teenage begin. While children are involved with their age groups, adults may enjoy the adult program, which includes hikes, crafts, and adult swim instruction. Adults can also choose to socialize, read a book, or sunbathe on the pool deck.

4-6 Year Olds

Our youngest campers will enjoy their morning program as they ease into camp activities. They will do crafts, enjoy short "hikes" around Camp Reneker, play group games, and enjoy age appropriate activities and songs carefully planned for their enjoyment. Their pool time is full of play and fun games while swimming basics are introduced. In order to make sure all children in this group are able to participate safely, the age requirement is strictly enforced.

7-9 Year Olds

The 7-9 year olds also enjoy daily age-appropriate crafts and activities, but this age group also has the freedom to go further in their exploration of Owasippe during their hike time. Their longer pool time introduces basic strokes and technique to either strengthen the skills they already possess, or introduce and teach beginner swimmers.

10-12 Year Olds

The 10-12 year old group is similar to both the 4-6 and 7-9 age groups in that they do a daily craft and swimming lesson, but they are also given more freedom to branch out in the quest for adventure. Some groups may travel to Camp Wolverine to do leatherwork, or may practice their archery and paintball skills during program time.

Teen Group, 13-17+

The Teen Group is a great way to meet new friends, try something new, and branch out of your comfort zone! The teens start their week by attending our C.O.P.E. course Monday morning as a group. They participate in team-building activities designed to mold them into a working group for the rest of the week. Each year is different and offers new and out-of-the-box activities teenage campers are sure to love!

Adult Program

Everyone is included in morning program! While you may opt to spend the morning on your own, adults are highly encouraged to participate in morning program as well. Reneker offers classy crafts, camp cooking, water aerobics, and hiking for our adult campers. Programs are designed for enjoyment and relaxation and our adult program is a huge hit!

Afternoon Programs

The afternoons at Reneker are flexible and provide a variety of activities, if you choose to participate in them. Each afternoon the pool is open from 2:00 p.m. – 5:00 p.m. for open swim. The pool is a comfortable place to relax and enjoy the beautiful, warm summer days at Owasippe, or to challenge yourself to train for the mile swim. Other activities offered during the afternoon include crafts/tie-dye, team games, volleyball, basketball, Frisbee golf, wood-burning, participating in a beanbag toss tournament, or testing your marksmanship skills at either our BB gun and archery range or our new paintball range, and that's just the beginning! You may want to explore the trails of Owasippe on a guided hike to some of Owasippe's most unique places, such as the Quaking Bogs, Paradise Valley, Chief Owasippe's Grave, Bass Lake, or to see some of the endangered species on the property. An afternoon at Reneker is a time of activity or relaxation; the choice is yours.

Evening Programs

Each evening at 7:00 p.m. a different, family-oriented program activity is scheduled. The week begins on Sunday with orientation and registration, and concludes on Friday with a closing campfire. During the week, campers have fun participating in activities such as Ice Cream Social, Family Potluck Dinner and Dance Party, and the Closing Campfire. In addition to these activities, the pool is open on various nights of the week for evening swim. If these family-centered events do not spark your interest, the local towns of Whitehall, Montague and Muskegon are close by for you to explore. Our campers take shopping excursions to the outlet mall in Holland, journey to Lake Michigan beaches, Michigan's Adventure Water Park and Miniature Golf, and dine-in area restaurants.

Camp Songs

Family Camp

Hey look us over, we're from Family Camp
Fresh from the city to serve our time at camp
We like to swim and we like to hike
But on our way to the eagle's nest we have to take a thousand rests

It's up in the morning at the crack of dawn
While the staff goes swimming, the campers mow the lawn
But what we like best about this joyous place is all the campers' happy faces
We're from Family Camp
F-A-M-I-L-Y Why? Because we like it!
We're from Family Camp!

Camp Reneker Song

Consider yourself at home
Consider yourself a part of Reneker
You will never feel alone
With scouting families as your friends

Oh, you can hike the trails and sail the
Lakes and greet the sun
It will all be worthwhile
You will sing the songs and shout the cheers
And feel the start of a happy scouting smile – "Smile!"

Consider yourself at home
Consider yourself our friends
So, come on down and camp around at Reneker
Consider yourself one of us!

The Owasippe Hymn

All the wealth of Earth and Heaven
Bless thy woods and dales
Over all thy lakes and forests
Happy youth prevails

So, may Scouting's bond of friendship

Seal our loyalty
To the camp so dear to memory
Hail Owasippe
